	Collection:	Hangszergyűjtemény
	Inventory number:	H 77.30.

Description

Made by János Stowasser instrument makers in Budapest. Johann Christoph Denner is generally believed to have invented the clarinet in Germany around 1690 by adding a register key to the earlier chalumeau. The origin of the Italian clarinetto, itself a diminutive of clarino, and consequently of the European equivalents such as clarinette in French or the German Klarinette.
